D. Learn to be responsive but assertive. Be sensitive to the feelings of other people but only up to a certain point without risking your personal values and beliefs.

When Your Body Says ...

It's normal to have sexual feeling, but you don't have to act on them. Decide beforehand how far you're willing to go and stick to it. If you think or feel that you're going to explode?

- > Take a cold shower
- > Go for a stroll
- > Keep yourself busy
